[1] The pay of the General of the Armies of the United States is $13,500 per annum, with such rental and subsistence allowances as may be fixed by the President.

NOTES.—The maximum allowances which will accrue to an officer below the grade of brigadier general, to a brigadier general, or to a major general, will be such that the total of base pay, pay for length of service, and allowances for subsistence and rental of quarters will not exceed $7,200, $7,500, and $9,700, respectively, per annum.

The total of base pay and pay for length of service of an officer below the grade of colonel shall not exceed $5,750 per annum.

Increase of pay for foreign service, and commutation of quarters, heat, and light are repealed effective July 1, 1922.

In addition to the rates of pay shown in the table, commissioned officers receive a daily allowance for "subsistence" and "rental of quarters." The subsistence allowance is payable at all times, and for officers without dependents is a fixed amount. The amount of subsistence allowance of officers with dependents depends upon rank and length of service. The amount of rental allowance depends upon the duty status of the officer—whether or not he is assigned Government quarters for himself and dependents, his rank, and length of service.

An officer's rental and subsistence allowances according to grade and length of service, become effective 1 July, 1922, whether or not he retains his old rate of pay.

Rental allowances do not accrue to any officer on shore duty furnished public quarters or to officers without dependents when on sea or field duty.

When the total of pay and allowances exceeds $7,200 the rental allowance shall be reduced by the amount of the excess above $7,200.

In addition to the rates of pay shown in the table, commissioned officers receive a daily allowance for "subsistence" and "rental of quarters."
